Standardized for 70% of silicon

FOR WHOM?

For the entire family for daily organism's functions support.

Its strong, slightly spicy flavour of ginger and pepper may prove to be too intense for children and people with sensitive taste. Should be taken with water or juice.

FOR WHOM?

For people with joints mobility problems after injuries and during physiotherapy; for seniors, sportsmen and people with active lifestyle.

Not recommended to pregnant and breast feeding women and people with stomach and duodenal ulcers.

FOR WHOM?

For everyone as a daily dose of health and support for the immunity system. Especially for people wishing to preserve young, beautiful skin, hair, nails; a way to preserve the beauty from the inside.

Delicate lemon flavour – recommended also for children.

PEPTIDE *Holistic* DRINK

HOW DOES IT WORK?

It supports the immunity system. Better infection resistance, faster convalescence after sicknesses

Protects against free radicals. Anti-tumor prophylaxis

Slows down the ageing processes. Contributes to inhibiting the activity of ageing enzymes (metalloproteinase)

Strengthens hair, skin, nails, gums, blood vessels and other organs built of collagen protein

Exhibits anti-bacterial, anti-inflammatory and analgesic properties

Strengthens skeleton, cartilage and joints. It supports rehabilitation after treatments and injuries

PEPTIDE *Physio-Sport* DRINK

HOW DOES IT WORK?

Pain-killing, anti-inflammatory, bone and joints related pain relieving properties

Supports regeneration of the pathologically altered cartilage tissue

Supports regeneration and synthesis of the collagen and elastin in the organism

Improves the mobility of joints, better elasticity of the cartilage tissue

Antiarthritic and anti-rheumatic properties

Slows down the ageing processes. Contributes to inhibiting the activity of the ageing enzymes (metalloproteinase)

PEPTIDE *Beauty* DRINK

HOW DOES IT WORK?

Support for regeneration and synthesis of the collagen and elastin in the organism

Beautiful, strong hair

Anti-acne, anti-inflammatory, anti-bacterial, anti-viral properties, faster wound healing

Anti-ageing properties, photoaging prevention, say no to discolourings!

Beautiful, healthy skin

Strong, healthy nails
